

THERMOSKIN®

Thermoskin® Gloves are anatomically shaped to provide warmth and even compression for the temporary relief of arthritic pain. A textured inner layer provides additional grip for everyday activities and finger tips cut out, allow a better sense of touch.

ABOUT THERMOSKIN TECHNOLOGY:

- Promotion of increased blood flow facilitates enhanced recovery.
- Provides light but firm compression to counter act tissue swelling.
- Clinically tested to increase the skin and muscle temperature.
- Provides temporary relief from pain/soreness associated with sports injuries, arthritis and RSI.
- Increases elasticity and reactivity of the muscle.

TRIOXON® ADVANTAGE

Exclusive 3 dimensional lining that provides insulation and wicking of moisture via air circulation. This allows the skin to remain well oxygenated and comfortable for extended periods.

SIZE GUIDE Measure around the hand and knuckles.

	XS	S	M	L	XL	XXL
CM	15-17	18-20	21-23	24-26	27-29	30+
INS	6-6 ^{3/4}	7-7 ^{3/4}	8-8 ^{3/4}	9 ^{1/4} -10	10 ^{3/4} -11 ^{1/2}	11 ^{3/4} +

INSTRUCTIONS: Position the product on the right and/or left hand so that the fastener strap is wrapped around the lower forearm. Secure the strap.

WARNING: Do not wear within the first 72 hours following an acute injury. This product contains a synthetic fibre, which may cause allergic reactions. Should an irritation or rash develop, discontinue use and seek medical advice. If pain persists, discontinue use and consult your medical professional.

MANUFACTURER WARRANTY: Your Thermoskin® product is covered by a twelve month guarantee against faulty workmanship or materials. Made in Thailand.
